Mr. Odirile Mhlari

Dear Sir/Madam

To Whom It May Concern this confirm that I Odirile Mhlari I am a complete graduate Diploma in Information Technology (Network Management) and also a graduate in a Higher Certificate in IT Support Services (NQF level 5) which adds to my higher education of IT and experience, at the institution of Rosebank College Sunnyside (IIE). I have displayed a dynamic relationship with my studies and I have been so dedicated to my work throughout the years I have participated.

I found my self-committed and developed into a mature and responsible citizen and IT professionalism. Given my overall knowledge and grasp of content, I have shown a lot of commitment. By completing my Diploma, I believe I have managed all the necessary skills that I need to be in a new working environment where I can make formidable difference.

I highly recommend myself for any learner-ship/ internship that may come my way.

Yours faithfully

Odirile Legae Dickson Mhlari
